**UCC Synod 2019 “Shine!”:** Rev. Julie Yarborough, Frank Bolden and Kirk Johnson are attending General Synod from June 21<sup>st</sup> to 25<sup>th</sup> in Milwaukee, Wisconsin. Every two years, General Synod brings together thousands of faithful members of the United Church of Christ for a national gathering. This year Frank Bolden will be ending his term as Chairman of the Board of Directors for the UCC. We thank him for his service and leadership on the national level!

**Ushers Needed:** If you are interested in being an usher next "church year" (September '19 - June '20) please let me know. Ushering is a very easy way to get more involved in Christ Church. Family groups are very welcome. A schedule, instructions and coaching will be provided. Typically, ushers are assigned once every 6 to 8 weeks. There are a number of veteran ushers and one or more of us are usually there to help out.

If you have already informed me of your usher status you DO NOT need to reconfirm. If you have any questions or just want to discuss this please feel free to contact John Vigilante johnvig500@gmail.com.
